

QIU Intervarsity Science Symposium 2024

PechaKucha Presentation

Terms and Conditions

- The presenter will need to create a PowerPoint file that has **20 slides**, with each slide timed to **transition to the next after 20 seconds** (a mouse or pointer can be used to change the slides).
- The total file size **should not exceed 15 MB**.
- The entire presentation will be no longer than 7 minutes. Five minutes maximum will be given for a question and answer session.
- Computers and screens will be available in the venue. However, please note that internet access will not be consistent.
- Submit your PowerPoint presentation by **28 November 2024 before 5.00 pm** to giss@qiu.edu.my. Your email subject should include **PechaKucha Presentation Slides (Abstract ID)**.

Winner Selection and Award

- The presentation will be evaluated by a panel of distinguished subject matter experts selected by the organisers.
- The presenter or a representative must present at the closing ceremony to receive the awards.
- The judges' decision of the prize winners is final and conclusive, and no disputes, appeals, inquiries and/or correspondence in relation to any of the decisions shall be entertained.
- Three best PechaKucha presenters will be determined for each category.
