## **QUEST INTERNATIONAL UNIVERSITY (QIU) OCCUPATIONAL SAFETY AND HEALTH POLICY**

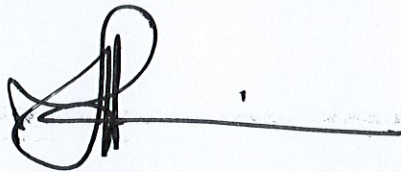

In its mission to promote research and innovation, student centered learning, and be an outward looking University, Quest International University (QIU) shall always provide and maintain a safe, healthy and clean working environment for all our staff and students in accordance with occupational, safety and health (OSH) best practices. QIU recognizes its obligations under the Occupational Safety and Health Act 1994 and will document, implement, maintain and communicate to all staff and students and related personnel on all matters pertaining to OSH.

We are fully committed towards:

- a) Establishing and maintaining a safe and healthy environment for staff and students;
- b) Providing adequate resources, facilities, equipment for all staff and students;
- c) Involving administrative and academic staff in safety planning and implementation;
- d) Promoting safety consciousness and responsibility among all staff and students by providing sufficient information, instruction, training and supervision;

- e) Continuously identifying and eliminating hazards on campus in order to prevent accidents as part of OSH management; and
- f) Providing a safe and healthy environment for all its visitors who come into the University premises.

All QIU staff and students will comply with its occupational safety and health policies, procedures and guidelines and conduct themselves in a manner that will not place themselves and others at risk. Management staff is responsible for the safety and health of staff and students in their respective faculties, departments, programs.

**PROFESSOR ZITA MOHD FAHMI  
VICE CHANCELLOR  
QUEST INTERNATIONAL UNIVERSITY**

*Note: The policy was revised on 1st August 2022 because of the updated university logo.*
